

11th International Conference on Electromagnetic Interference & Compatibility (INCEMIC 2010) and Workshop

Theme : EMC in Electronic Systems Design

Conference Topics

E01 EMC in Design	E19 High Power Electromagnetics
E02 EMC in PCB	E20 NEMP / Non-NEMP, Lightning
E03 Circuit level EMC	E21 Intentional EMI
E04 EMC in IC Chip Level	E22 ESD
E05 EMC in Electronic Packaging	E23 EMC Issues in UWB Systems
E06 EMC in Power System	E24 EMC in Railways & Transportation
E07 Signal Integrity & High Frequency Design	E25 EMC in Biomedical Systems
E08 Intra System EMC	E26 Automotive EMC
E09 Intersystem EMC	E27 EMC in Wireless Communication
E10 EMC Instruments	E28 EMC in Communication Networks
E11 EMC Measurement Technology	E29 Operational EMC
E12 EMC Protection Mechanism	E30 EMI/EMC Education
E13 EMC Testing	E31 EMC Management
E14 Computational Electromagnetics in EMC	E32 EMC in Satellite Communications
E15 Antennas for EMC Measurement	E33 EM Spectrum Management
E16 EMC Standards and Regulations	E34 EM Environment
E17 EM Radiation Hazards	E35 EMC Innovation
E18 Protection Models for EMC	E36 EM Shielding Materials

Important Dates

Preliminary paper submissions (upto 2 pages in PDF format only)	April 30, 2010
Notification of initial acceptance	June 30, 2010
Submission of complete papers (upto 6 pages)	July 20, 2010
Final acceptance	September 15, 2010
Deadline for exhibitors	August 30, 2010
Deadline for advertisement in Souvenir	August 30, 2010

Call for Papers : INCEMIC 2010

**INCEMIC 2010
Bangalore, India
25-26 November, 2010**

**Organised by
Society of EMC Engineers

Conference Highlights

The 11th International Conference on Electromagnetic Interference & Compatibility (INCEMIC 2010) will be held in Bangalore, India from **25-26 November, 2010**.

The Conference will cover the entire scope of electromagnetic compatibility. Prospective authors are invited to submit original papers on their latest research results.

Prior to the Conference, on **23-24 November, 2010** a two day **Workshop** cum Tutorials on the latest trends in the field of EMI & EMC will be conducted by expert faculty.

Venue for Conference & Workshop

NIMHANS Convention Centre
NIMHANS, Hosur Road,
Bangalore – 560 029, India

Dates

Workshop: 23-24 November 2010
Conference: 25-26 November 2010

Paper Submission

Authors are requested to submit an abstract of the paper not exceeding two pages of A4 size in length including title, author's affiliation, abstract, figures and references in IEEE format. The material should be the original work of the author, which is not published in any other magazine or journals.

All submissions must have an additional page containing the paper title, author's affiliation, name of the corresponding author, complete mailing address, telephone, fax no. and e-mail. Please identify one Contact Person. On the same page, the author(s) should clearly summarize the novelty of their contribution & indicate the desired technical areas (maximum of two). No hardcopies will be accepted.

Accepted Papers

The technical contents of all the papers will be reviewed by an expert committee. Upon acceptance of the paper, the authors will be asked to send the full paper in electronic format. The abstracts accepted by the committee board will be intimated to the authors by due date.

The Final Acceptance of the full papers for publication in the conference proceedings will again be intimated by due date.

Final papers must not exceed six pages including figures, tables and references. *At least one author of each paper should register for the conference.*

Best Paper Award

Authors are eligible for Best Paper Award. Those who are willing to be considered for the Best Paper Contest should request for the entry during the submission of the final paper. The author(s) of the selected paper will be awarded during the closing ceremony of the conference.

Best Student Paper Award

Students are encouraged to submit their paper for the Best Student Paper Award, by specifically requesting for the entry during the submission of the final paper. Only a student can apply for the award as a first author of the paper, although co-authors may include non-student researchers. The student author of the selected paper will be awarded during the closing ceremony of the conference. An official certificate confirming current student status would be required.

Exhibition

A technical exhibition will be organised during the conference. The exhibition of EMI/EMC/RF-Microwave Components, EMI/EMC Test Instrumentation and facilities and analytical electromagnetic tools for EMC design will be one of the major event of INCCEMIC 2010. Exhibitors are welcome to participate wholeheartedly in this event. For details on space for exhibition and also for advertisement in Souvenir, please contact the Exhibition Chair by email.

Workshop

The aims and objectives of the workshop are to give hands-on practical and design oriented technical know-how to the participants based upon case studies. It will also be a platform where the participants will have an in-depth exposure to the state-of-the art cutting edge technologies designed and developed over the years in EMC Technology. The workshop is designed to give a new dimension so as to implement EMC Techniques in Military and Civilian Radar and Communications right from the design, development and production stages.

Souvenir

A souvenir containing program schedule, invited papers, abstracts, invited articles, advertisements will be published. This will serve as an excellent medium for advertising various products and core competency among high professionals who are key decision makers. This souvenir is meant for free distribution among all participants and invitees.

Delegate Registration Fee

Category	Conference	Workshop
General	Rs. 6000 /- (US \$150 /-)	Rs. 5000 /- (\$ 135 /-)
SEMCEI / IEEE / IETE Members	Rs. 5500 /- (US \$135 /-)	Rs. 4500 /- (\$ 125 /-)
Students (Full Time only)	Rs. 2000 /-	Rs. 1500 /-

Registration fee includes delegate kit, lunch, refreshments & Conference Dinner.
